

The ValueJet 1324X

Sales Presentation v1.0

The ValueJet 1324X

\$14,995 MSRP

54" Eco-Ultra printer

part number: VJ-1324X 15510-0001

fast. affordable. reliable.

The ValueJet 1324X

\$14,995 MSRP

Features

- **Fast**
One of the fastest printers in it's class – print at speeds up to 565 sqft/hr.
- **Productive**
Uses four color, Eco-Ultra ink (CMYK) in either 220ml ink cartridges or 1 liter ink bags using the optional adapter for high-production printing.
- **Photographic image quality**
Variable, drop-on demand Piezo print drive method, printing up to 1440 dpi.
- **Reliable**
Includes a two year limited onsite warranty.
- **Smart**
The new DropMaster technology assures the highest dot placement accuracy and eliminates the need for individual head adjustments per individual media type, saving you time and money.
- **Size**
Small footprint fits into any print shop.

The ValueJet 1324X

\$14,995 MSRP

Smart Printing

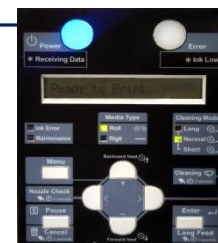

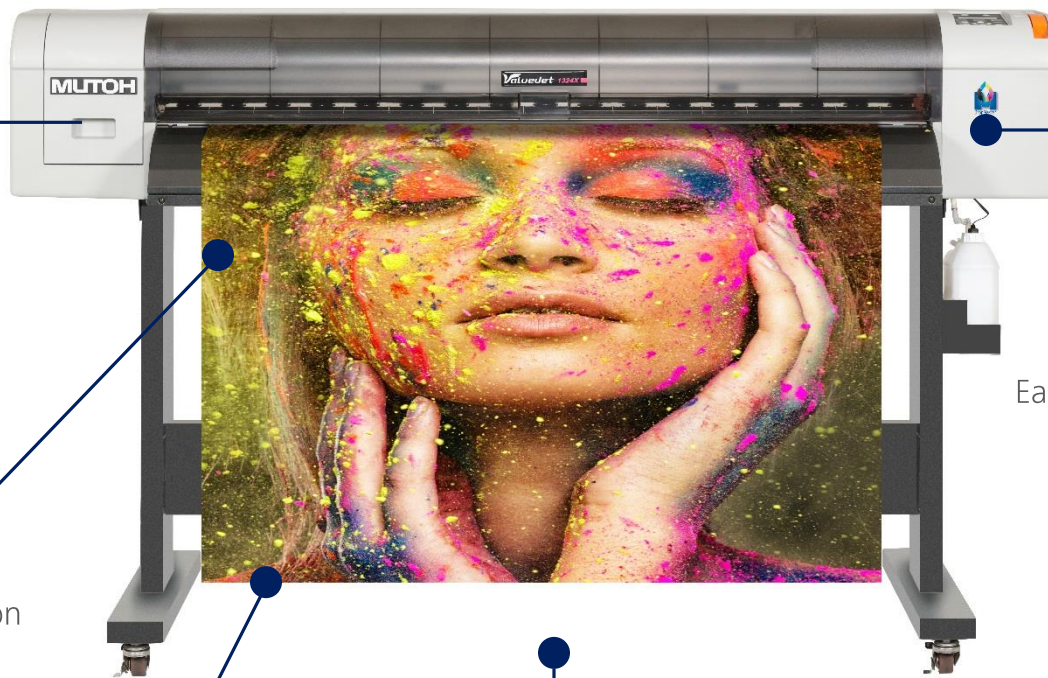

- **DropMaster**
The new DropMaster ink technology assures the highest dot placement accuracy and eliminates the need for individual head adjustments per individual media type, saving you time and money.
- **ValueJet Status Monitor (VSM) & VSM Mobile Support**
ValueJet Status Monitor helps monitor ink system, heaters and check for firmware updates, while VSM mobile allows you to monitor your printer settings from your smart phone. Check ink, heater and media settings remotely.
- **Intelligent Interweave (i²) print technique**
Virtually eliminate banding with Mutoh's wave printing technique.
- **SpectroVue VM-10**
Optional on-board spectrophotometer simplifies profile creation and ColorVerify process control systems.
- **ColorVerify and ColorVerify Pro**
Comes standard with ColorVerify process control system or you can purchase the optional ColorVerify Pro system for the more advanced print shop.
- **Mutoh Financial Services**
Create a customized plan to fit your printer purchasing needs.
