

Introducing the new
CAMEO[®] 3

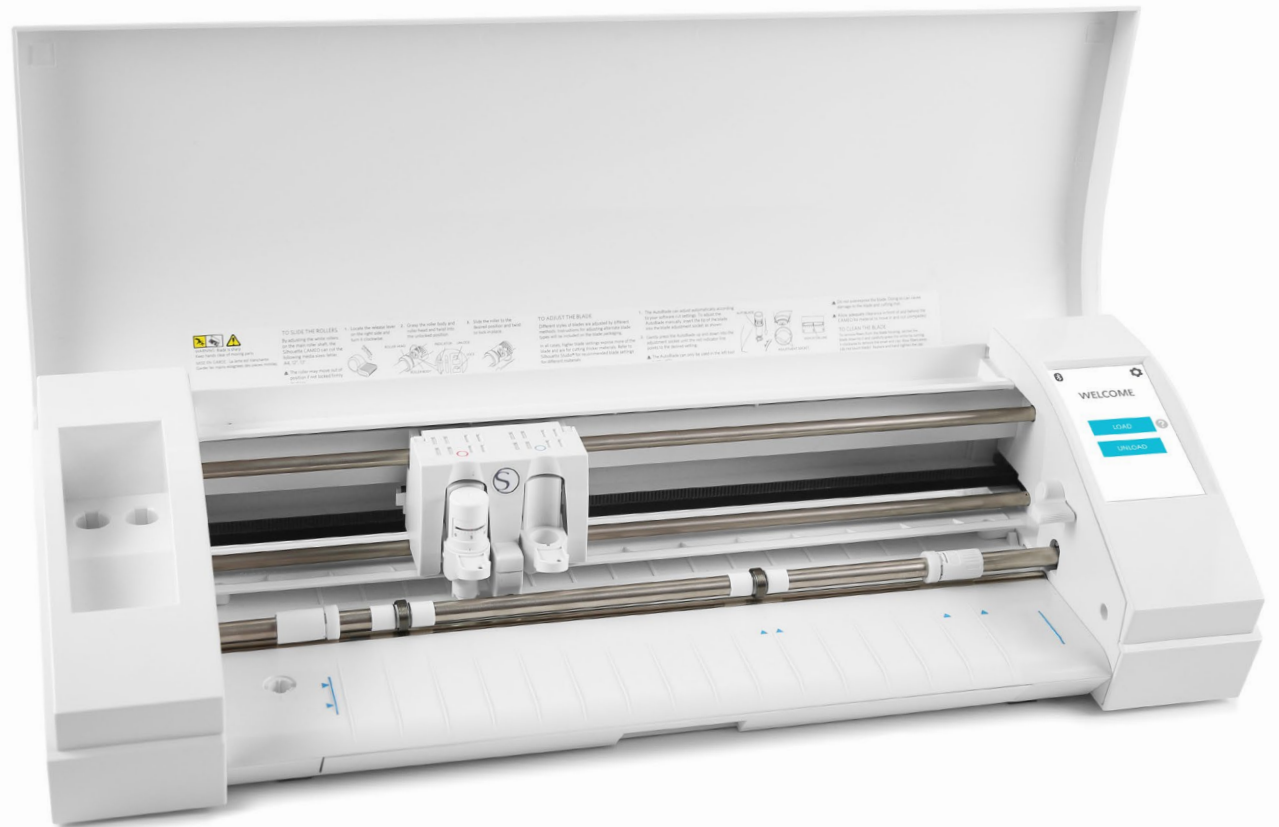

The revolution in wireless
desktop cutting starts now.

SLEEK NEW DESIGN
same precise cutting

.....
Our #1 desktop cutting machine just got even better.

Twice as Nice

Like to multitask?
So does the Cameo 3.

Complete two tasks in one pass with its dual carriage. Just mix and match with our full selection of blades and pens.

Deeper Cuts

.....

2mm clearance allows for
your deepest cuts yet.

*Cut thicker materials like balsa wood, foam,
chipboard, leather and more.*

Wireless connectivity allows for more space to make your projects.

Create wirelessly by pairing your computer, tablet, or smartphone with your Cameo. Fewer wires means more room to work.

AutoBlade

Click and create.
Automatically.

With the AutoBlade system, you can let your machine set the correct blade depth for your project. Simply select your material type in the software and let the Cameo do the rest.

PixScan™

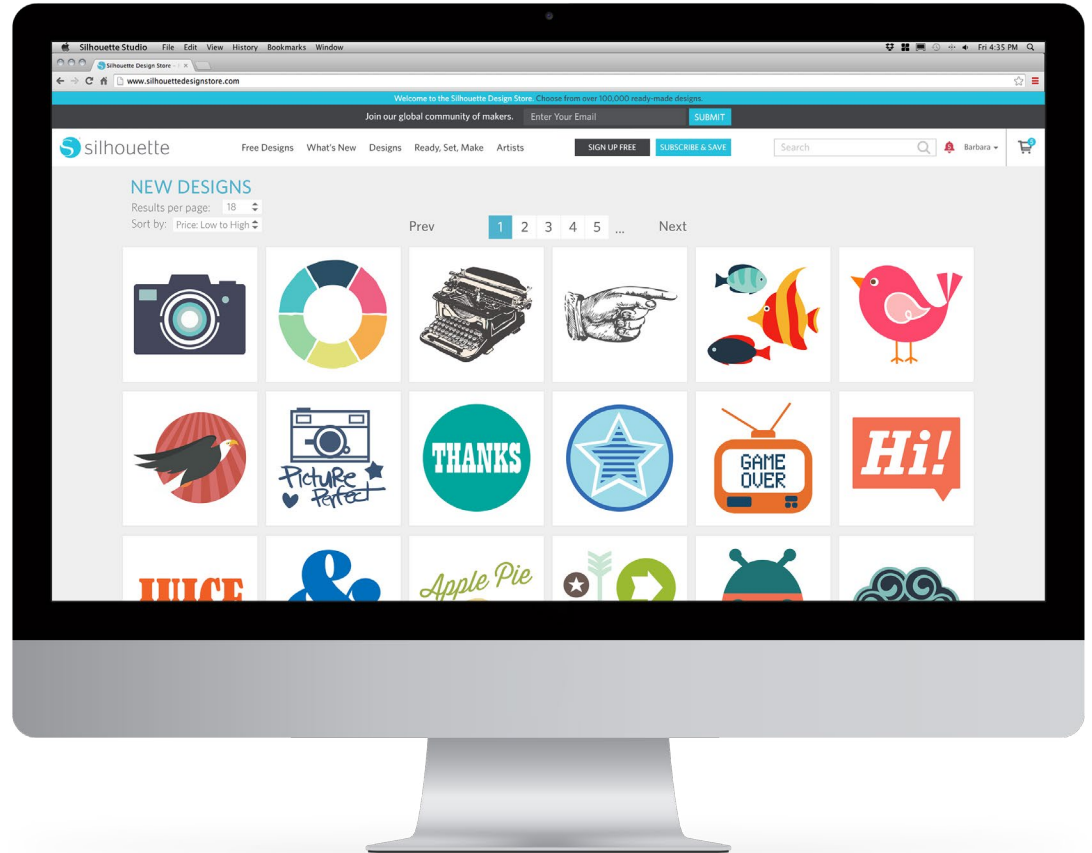

Capture it. Cut it.

Use PixScan™ technology to capture an image with your smart phone, import the image, and turn it into a cut file.

Limitless Design Options

Find or create the perfect design to customize your project.

Choose from 100,000 ready-made designs in the Silhouette Design Store or create your own designs with our free software, Silhouette Studio®.

Dream it up. Cut it out.™

Create custom projects for home,
business, school, or hobby.
